

BARKS

BARK is a virgin wood or bark that comes from Fir trees and provides the perfect complement to any beautification project. Bark varies in size and color when used as a top dressing, providing an almost infinite variety in the final look and style. We proudly offer many different bark sizes including our most popular types, Walk-on-Bark and Acorn Bark. Walk-on-Bark is red in color and 1/4"–3" in size with some bark chips. Acorn Bark is also red and 1" in size and is 95% bark.
